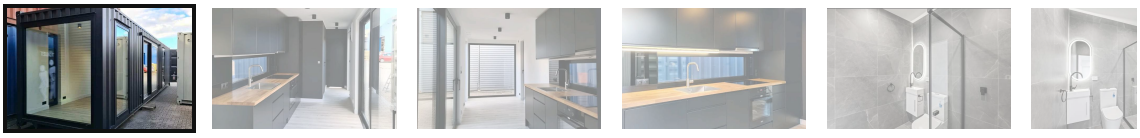
Five Signature Collections

1/6



Industrial Black

Matte black exterior with floor-to-ceiling glass. Bold cabinetry, timber benchtops, stone-effect bathrooms.

ENQUIRE

Timber Natural

Rich timber batten cladding. Sage green cabinetry, concrete-look splashbacks, earthy stone bathrooms.

ENQUIRE

Dark Steel

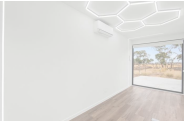
Gunmetal grey with panoramic glass. Shaker kitchen, marble herringbone splashback, warm stone bathroom.

ENQUIRE

Coastal White

Crisp white exterior, black-framed glass. Charcoal kitchen, dual-vanity ensuite with lit oval mirrors.

ENQUIRE



Studio & Office

Fully glazed 20ft container with hexagonal LED ceiling. Perfect for studios, offices or creative spaces.

ENQUIRE

Built for the Caribbean

🌊 Hurricane Rated

Hurricane-impact glazing and corrosion-resistant finishes for Caribbean conditions.

☀️ Solar Ready

Solar integration available — off-grid capable, lower long-term energy costs.

⚡ Fast Build

Modular construction slashes build time versus traditional builds.

✦ Bespoke Finish

Choose a collection or go fully custom — layout, interior, everything.

🌴 Airbnb & Resort

Designed for short-stay hospitality — clusters, eco-lodges, income properties.

📦 TDA Eligible

TDA-eligible for Barbados duty concessions on qualifying tourism projects.

Start your build.

Based in Barbados, building across the Caribbean. One unit or a full resort — we want to hear about your project.
